On the evening of August 24, 2021, the Gananoque Police were investigating a collision between two boats at the Gananoque Municipal Marina. After speaking with all involved persons, the driver of one of the boats was given an Approved Screening Device Demand and after providing a sample of his breath, was arrested for Operating a Conveyance with Over 80mg of Alcohol. A 71 year-old male from Quebec was charged with Operating a Conveyance with Over 80mg of alcohol as well as Operation of a Conveyance While Impaired by Alcohol. His driver's license was seized and suspended for 90 days and he was later released on an Appearance Notice with a court date scheduled in late October.
