In the evening hours of December 3rd, 2020, officer on patrol observed a pickup truck bearing plates that expired in 2019. Upon speaking with the driver, the officer observed obvious signs of impairment and detected a strong odour of an alcoholic beverage. The driver provided breath samples registering over the legal limit.

The 53 year old male from Virgil, Ontario was subsequently charged with Operation While Impaired and released on an Appearance Notice for Brockville Court, along with a 90 day Automatic Drivers Licence Suspension and Vehicle Impound.

We would like to remind everyone to please enjoy the holiday season responsibly. Police will be conducting Festive R.I.D.E. Programs throughout the holiday season.

Plan ahead if you plan to drink – use a Designated Driver, call for a ride from friends, call a taxi or stay overnight.
