The Gananoque Police responded to a report of a missing youth. Further investigation revealed that the youth was on conditions to be amenable to the rules and discipline of the home and left without permission. The youth was later located and arrested without incident. The youth was charged with two counts of failing to comply with the conditions of his undertaking, and he was held in custody pending a bail hearing.

The Gananoque Police received a complaint relating to domestic assault. Further investigation determined that the accused had assaulted his partner numerous times over the course of several weeks. Police located and arrested the male at his residence. The man was searched following his arrest and police seized a quantity of crystal methamphetamine. A 51-year-old Gananoque man faces charges of assault, overcome resistance by choking, fail to comply with his probation order and possession of a schedule 1 substance. The man was held in custody pending a bail hearing.
