Routine Traffic Stop in Gananoque Yields Cocaine Seizure

On July 1, 2020, the Gananoque Police conducted a routine traffic stop after observing a vehicle driving the wrong way on a one-way street. Further investigation revealed that the male driver, from Westport, was failing to comply with the conditions of an Undertaking for other criminal charges before the courts. A search incident to arrest uncovered close to 50 grams of cocaine, with a street value of approximately \$5000 along with a small quantity of Xanax. The driver was arrested and held for a bail hearing on both criminal and drug related charges.
